Accommodation

Hotel Emilio (Rooms have air conditioning)

An excellent 3 / 4 star hotel in Hellin. This really is a first class modern hotel with breakfast room, bar/café, modern restaurant, outdoor bar & restaurant open in the summer, yet with a true 'Spanish' atmosphere. Hellin town centre is only approximately 8 minutes walk from the hotel. Internet facilities. 'Traditional' rooms are comfortable en-suite and air conditioned. Larger '1st class' rooms are in the new section of the hotel, are modern, also en-suite and air conditioned and have mini-bar and room safe.

Riding in the country (Option A)

For the intermediate or experienced rider. A limited number of novice riders can be accepted so long as they can control their horses outside at all paces, but for the enjoyment of the rest of the riders this option is not suitable for beginners.

Day one (for 7 night holidays this is usually a Saturday)

We pick you up from Alicante or St Javier (Murcia) airport, or Albacete or Hellin train station and take you to your hotel. Depending on flight arrival times, you should have time to unpack your bags, freshen up, or enjoy a drink in the hotel's bar before we take you to a local restaurant or to the riding centre for a 'welcome' meal, where you can meet any other riders, the horses, relax, or discuss the riding or tours to come.

Day two

After your hotel breakfast we collect you and take you to the riding centre to meet the horses, ride in our school and get acquainted. After lunch you can enjoy your first ride in the countryside - up to 3 hours duration, as you prefer. After your evening meal, at the Centre or a local restaurant, you may want to watch Yeguada Iberica's horses being worked, relax at our riding club and bar, stroll under the stars, or perhaps just be taken back to your hotel, explore Hellin by yourselves, visit the bars and clubs, or enjoy a walk in the park. The choice is yours.

Days three to seven

We collect you from your hotel and take you to the Centre, then saddle up and enjoy all-day rides in the countryside with your guide. Each ride can be different every day, we can leave the centre in any direction and ride in varying countryside and terrain. Lunches could be a picnic in the country, at a village restaurant or back at the Centre. Evenings, as Sunday.

Note: Wednesday mornings are free for you to take a break; relax at the hotel or explore the town (morning market).

Day eight

We collect you at a pre-arranged time (see booking form) to return you to your airport.
